

01 Planet Fitness Company Background

Document PLNT-01 | Available 2026-02-25

Prepared by Source digest prepared for the demo

REAL COMPANY BACKGROUND. Public-source summary; synthetic financials are not company facts.

Public filing

Selected background from Planet Fitness, Inc.'s FY2025 Form 10-K, for the year ended December 31, 2025, filed 2026-02-25. This digest is a reading companion to the complete annual report in sources.

Business facts

Planet Fitness operates a fitness business with Franchise, Corporate-owned clubs and Equipment segments. Franchise revenue includes royalties and other franchise-related fees. Corporate-owned clubs earn membership and related revenue, while the Equipment segment sells equipment to franchisees. The filing distinguishes the economics of franchisees from those of the public company. Member demand, club operating expenses, franchisee performance and investment in equipment affect the business.

Scenario boundary

All figures and credit terms in 02-09 are invented. The borrower is Planet Fitness Demo Club Operator LLC, a fictional business inspired by this operating model. No affiliation, guarantee or actual financing by Planet Fitness, Inc. is asserted. The hypothetical borrower operates clubs and pays a fictional royalty. It is not the public franchisor and does not collect systemwide royalties. No actual franchise license or real-company support is asserted.
