REAL COMPANY BACKGROUND. Public-source summary; synthetic financials are not company facts.

Public filing

Selected background from YETI Holdings, Inc.'s FY2025 Form 10-K, for the year ended January 3, 2026, filed 2026-02-27. This digest is a reading companion to the complete annual report in sources.

Business facts

YETI designs and sells outdoor products including coolers, equipment and drinkware. It reaches consumers through direct channels and wholesale partners. Third parties manufacture products and provide logistics. The filing discusses supplier concentration, timely imports, transportation costs and inventory management. Product costs and inbound freight affect cost of goods sold, while distribution and fulfillment costs also affect profitability.

Scenario boundary

All figures and credit terms in 02-09 are invented. The borrower is YETI Demo Outdoor Products LLC, a fictional business inspired by this operating model. No affiliation, guarantee or actual financing by YETI Holdings, Inc. is asserted. The hypothetical borrower is a goods seller, using calendar-month reporting instead of YETI's fiscal calendar.
